## MEDIEVAL CARNIVAL

Well we are all counting down to the big day on Sunday. I am always amazed by the hive of activity and grateful for the huge commitment that our community shows for this wonderful annual event.

Here are a few reminders:

- Don't forget to hire your costume if you still need one.
- Please remember to fill the baking box and bring to the bake house on Sunday morning.
- We also have some amazing raffle prizes this year including the wonderful koru sculpture, so don't forget to buy your tickets even if you are on a stall.
- We are still busy working towards zero waste at our carnival, so as well as promoting our washable plate service it would be great if you could bring your own plates, cutlery, cups and drinks bottles.
- If you have volunteered to help run a stall or activity, please turn up at your allotted time so that everyone gets a chance to enjoy the festivities.

Even if it is rainy on the day the PA have a wet weather plan so the event will continue rain or shine. Fingers crossed!

I hope you all have a wonderful time at the carnival!

**Please remember**

**Monday 1st April 2019 School closed**

## School Car Park

**Just a final reminder that you need to follow the carpark rules at drop off and pick up time.**

The staff carpark should not be used for dropping off as the children are crossing the entrance and exit to this area as they walk into school. The safety of our children is a priority. People should not be dropping off in the centre of the road next to the island. This is not only potentially hazardous but also can hold up traffic and boxes cars in who are using the drop off bays. Please be respectful of all the other users.
