Waikato Waldorf School is a state integrated Waldorf school for children aged 6-15 years old. We are situated in Huntington in the northern part of Hamilton. We are a special character school that is guided by the teaching and philosophy of Rudolf Steiner. Our approach is characterised by its focus on the wellbeing of the whole child - emotionally, physically and cognitively. The curriculum follows Steiner's model of child development and incorporates a wealth of creative, artistic and practical elements.

We are looking for an enthusiastic, energetic teacher who is willing to move with their class through the school years to Class 7 (Year 8). The successful candidate would preferably have experience in Waldorf education but at least should demonstrate sound knowledge of and strong interest in the pedagogy of Steiner/Waldorf education and have the capacity and willingness to do further training.

The right applicant would be well supported by a friendly team.

Closing date for applications Monday 13th December 9am.

Successful candidates will be interviewed on Wednesday 15th December
